

What do students need to know and be able to do?
 What will we do when they haven't learned it?

How will we know when they have learned it?
 What will we do when they already know it?

Clear Vista is a collaborative learning community that:

- models high levels of accountability in both students and staff
- builds strong student character through positive connections and experiences
- ensures all students are achieving their maximum potential in an engaging, inspiring environment
- ensures students are well-prepared, productive, engaged citizens
