Grade 7 Tyrrell Museum Adventure!

Our Grade 7 students recently took an exciting overnight field trip to the Royal Tyrrell Museum! After traveling by charter bus, they spent the day immersed in hands-on science programming, explored the museum galleries, and even slept overnight in Dinosaur Hall. The trip also included a fun evening swim at the Aquaplex and a scenic visit to the Badlands hoodoos. On the way home, students wrapped up their adventure with a well-earned lunch at Boston Pizza in Stettler. It was a memorable experience filled with learning, laughter, and lasting memories!

Parents/Guardians,

Please remember to complete your child's re-enrollment form on PowerSchool as soon as possible.

Thank you!

Thank You CV Community!

A huge thank you to CV families and staff for purchasing 120 Arber Greenhouse gift cards! Thanks to your amazing support, \$600 is coming back to the school and will go directly toward student enrichment activities. We appreciate your generosity and commitment to our students!

Field Trip Season is Upon Us!

With field trip season in full swing, exciting opportunities for learning outside the classroom are just around the corner! Families, please remember to check your PowerSchool account regularly to ensure all permission forms are signed. We don't want any students missing out on the fun and valuable experiences these trips offer!

Celebration of Learning

Our final Celebration of Learning for the year took place last month, and it was a fantastic way to wrap up a year of growth and achievement! We were thrilled to see so many students, families, and community members come together. A special thank you to our incredible community partners—BGC, WHA, McMan, Recovery AB, FCSS, the Wetaskiwin Library, and the Mental Health Capacity Team—for hosting booths and adding so much value to the event. Your support helps make our school community stronger!
